UCLRG Status

May 2014

The depositions from 10 retirees have been taken and are under review. The Regents will file their opposition to our motion to certify the class on June 5, 2014. We will then file our final brief on June 26, and the court will conduct a hearing on July 3. The court may or may not make a ruling at that time.

The contract from our legal staff will be coming up for discussion of their projections and our future cost.

We have made some minor adjustments in our legal staff and will continue to be proactive, and only agree to future charges after our group of retirees has agreed to continue, by the continuing the donations, that gives us the resources to proceed.

We are still looking for secretarial help to maintain our "E" mail contacts and insure that our group will publish minutes of our meetings, and complete status reports. (We have had one

meeting this year 2014, and may have another one later in the year). We all know that while at LLNL, we had the continuing support of some of the best secretaries, and we need to find one that will help this effort. Of course we will continue to pay with the knowledge of our activities, our continued thanks, and pay, which is the same as the rest of our staff.

(VOLUNTEERS DO NOT GET PAID)

(Our staff is made up of volunteers that want this action to continue, and are willing to give the time that it takes achieve these goals.)

Our rewards will be the reinstatement of our medical benefits to the UC
